

Call for Papers

The 2023 FOURTH International Conference on Advanced Computational and Communication Paradigms (ICACCP) will be held at Sikkim Manipal Institute of Technology (SMIT) during 16-18 February 2023. Organized by the Department of Computer Science and Engineering, SMIT. It will cover areas of research and development in advanced computation, communication and cyber security. The event will feature the following Tracks:

Topics of the Conference (not limited to):

- A. Networking and Data Communications
- B. Cyber Security and Data Forensics
- C. Signal Processing and Communication Engineering
- D. Computer Vision and Image Processing
- E. Computational Intelligence
- F. Adaptive Computation and Machine Learning
- G. Computational Neurosciences, Cognition, Bio-Medical Engineering and Biotechnology
- H. Human Computer Interaction, Mechatronics and Robotics
- I. Big-Data Analytics and Social Networking
- J. Material Science and Nano Technology
- K. Geophysical Remote Sensing and Geographic Information Systems

4th International Conference on Advanced Computational and Communication Paradigms - 2023 (ICACCP-2023)

Organized by:

**Department of Computer Science and Engineering
Sikkim Manipal Institute of Technology**

Date: February 16-18, 2023

Venue: Sikkim Manipal Institute of Technology

Proceedings with selected articles will be published with Springer LNNS Series

Important Dates

Conference Date: 16-18 February, 2023

Submission Closes: 15th December 2022

Acceptance Notification: 5th January 2023

Registration: 25th January 2023

Copyright and Camera Ready: 25th January 2023

Sikkim Manipal Institute of Technology (SMIT) is a premier institute imparting higher education in the field of Engineering & Technology, Fundamental Sciences, Computer Applications & Management. The Institute is a constituent college of Sikkim Manipal University which is accredited by **NAAC** and graded in the category of **A+**. The Department of Computer Science & Engineering has also been accredited by the prestigious **National Board of Accreditation (NBA)**. The Engineering College has its own picturesque campus at Majitar, East Sikkim, India by the banks of river Teesta and surrounded by mighty mountains. The campus has state-of-the-art infrastructure which provides excellent academic & research environment.
